

Poster Presentation

For the speaker, participation in the congress is free and includes certificates:

National according to the order of the Ministry of Health of Ukraine № 446 dated 22.02.2019

International - 14 *AMA PRA Category 1 Credits*TM

To participate in the poster presentation, the report should be sent via e-mail info@antibiotic-congress.com to Organising Committee. As the Congress will provide the Contest of Poster presentation each e-mail should indicate "Contest of Poster Reports". The deadline of submission is **August 31, 2020**.

Required volume of the report consists of 2 pages and included:

Full name, degrees, work position, name of organization, city, mobile phone number, e-mail to contact the author.

Assessment of the reports is carried out by the Jury in accordance with criteria. The Jury is composed of members of Programme Committee of the Congress. Based on the assessment of presented posters, the Jury conducts competitive selection and identifies the best scientific works. The criteria used to assess projects are as follows:

- originality and creativity in the identification of and the approach to the basic problem,
- skill, care and thoroughness in designing and carrying out the study,
- reasoning and clarity in the interpretation of the results,
- quality of written presentation and ability to discuss the project.

The winners will submit their poster presentations within the framework of the poster session of the Congress.

Requirements for designing a poster presentation:

1. Poster size - 90 cm width x 120 cm height, colored;
2. All abbreviations (except for commonly used units of measurement) can be used only after mentioning the full term;
3. Poster report should contain illustrations (not less than 50 % of poster area);
4. Font size must be at least 20 pt.
5. Poster should include:
 - Title of the poster in capital letters;
 - Author/s name/s (initials, then surname);
 - Name of the institution or organization, department where the work was performed
 - Text, according to the structure:
 - Relevance
 - Purposes
 - Materials and methods
 - Results of research and discussion
 - Conclusions
 - References

All posters are made at the expense of the participant.
